LEARNING NATURALLY

CAMP KIANINNY

Nestled in Tathra on NSW's beautiful Sapphire Coast, Camp Kianinny is a privately owned business that hosts thousands of students each year for unforgettable school camp experiences.

We believe outdoor education is a powerful catalyst for growth. Our camps give students the opportunity to reconnect with nature, learn new skills, and build the independence and resilience they need to thrive.

Backed by our exceptional team of dedicated outdoor educators, we inspire students to embrace new challenges and realise their full potential in a safe, supportive environment.

OUR PURPOSE

OUR VISION

To give everybody the opportunity to explore, enjoy and grow in a natural environment.

OUR VALUES

- We create a culture where all people are welcome and respected.
- We create a safe space for ourselves and those around us.
- We create meaningful and rewarding experiences.
- We build relationships that endure.
- We innovate and improve.

Camp Kianinny Team

OUR MISSION

To provide meaningful, life-changing experiences and opportunities.

TESTIMONIAL

A huge thank you to Natalie, Seb and the entire team at Camp Kianinny for a truly wonderful and highly successful Year 5/6 camp experience. Our students thoroughly enjoyed activities including ziplining, canoeing, archery, catapults, mini golf, the beach carnival and campfire, all designed to foster teamwork, resilience and confidence. The instructors were consistently supportive, approachable and encouraging, while the food was nutritious and generous, and the cabins immaculate, comfortable and welcoming. From the very beginning, communication was excellent and every aspect of the camp was exceptionally well organised and smoothly run. Our students returned home with wonderful lifelong memories, and we look forward to returning for future camps.

TESTIMONIAL

Camp Kianinny is truly a special place that we love returning to year after year. The staff are incredibly friendly, welcoming, and experienced, making every visit smooth and enjoyable. What sets Camp Kianinny apart is how they cater for all abilities in each activity, ensuring every student feels included and challenged. With a fantastic diversity of activities on offer, students have the chance to try new things and grow in confidence. The brilliant food keeps everyone energised throughout the day. For many students, especially those heading off away from home for the first time, Camp Kianinny provides a safe and positive experience, creating lasting memories and valuable life skills.

ACCOMMODATION

Student Accommodation - Lodges

Our lodges at Kianinny are thoughtfully designed to comfortably house up to 74 students. Located around our communal areas, they create a warm and welcoming environment. Each lodge features three bunk rooms, accommodating 8 to 10 beds each. With a split system for heating and cooling, fully carpeted floors, and private bathroom and toilet facilities, our lodges strike the ideal balance of comfort and convenience.

Please remember that students will need to bring their own bedding and towels for their stay.

Student Accommodation - Cottages

If you require extra accommodation for your students, we have cottages on site that can house an additional 50 students. These cabins have been modified to create a child-friendly environment and can comfortably sleep 5/6 students in each. They are conveniently located near shared common areas for easy access & alongside teacher accommodation.

Teachers Accommodation - Units

Teachers will enjoy complimentary accommodation in our Teacher Units & Cottages. These fully self-contained, two-bedroom units are conveniently situated next to the student accommodation. Each cottage is equipped with a bathroom, kitchen and dining area, and a spacious lounge. Each cottage has a fireplace to keep it cosy. Rest assured, we provide all linen and towels for your comfort and convenience.

LIVING WITH NATURE AT CAMP KIANINNY

SUSTAINABLE PRACTICES

Kianinny has invested in hundreds of solar panels to provide clean electricity to all of our accommodation options onsite. We plan to increase this even further in the near future.

We compost all our organic waste through the Bega Valley FOGO system & teach the students about the importance of this & limiting food waste while on camp.

For toilet paper, tissues and other paper products we source 100% recycled & ethical goods from 'Who Gives a Crap', who donate 50% of profits to build toilets in the developing world. With over 3,700 students coming through our doors in 2023, we're thrilled to know we are making significant contribution to this cause.

LOOKING AFTER OUR ENVIRONMENT

With 100 acres of private bushland to play in, it is important that we tread lightly, and pass on to our students a culture of respect and honour for the plants, animals, birds and landforms we share space with.

Kianinny is home to many vulnerable and endangered species, such as the Glossy Black Cockatoo, Yellow-bellied Glider and Swift Parrot, and we often have wildlife enthusiasts travel to us to spend time with the many animals that live here.
